

INN^{OR}OUT

Farnborough is famous as the home of the biennial Farnborough International Airshow. The historic site is very close to where Samuel Franklin Cody made the first sustained UK flight in 1908 and has been home to this renowned event, the world's largest temporary exhibition for over 60 years

FIVE—Farnborough

The venue and site are available for hire year round outside of air show time, for public and corporate events. The FIVE venue itself is a clear-span and unbranded structure providing flexible space ideally suited to creating dynamic and inspiring conferences, exhibitions and dinners. The extensive surrounding site is suitable and has planning permission for building sizeable temporary structures and for outdoor activities such as teambuilding, as well as providing ample free parking.
