

# INN<sup>OR</sup>OUT

The London Film Museum is the only film museum of its kind in Great Britain, supporting the Film Industry and the talent within it situated among central London's most iconic landmarks, Palace of Westminster, London Eye and the River Thames. Our beautiful river view rooms, the Grand auditorium and our magnificent museum gallery creates truly unique, memorable and exciting event experiences

## The London Film Museum—SE1 7 PB

### Riverside Room

This beautiful room is probably the most popular room at the museum as it is the most flexible. This space has one of the finest views of London and Big Ben.

### Museum Gallery

Our beautiful Grade II listed gallery space housing high net worth movies memorabilia creates an amazing setting for evening receptions, networking events and sit down dinners.

### The Rotunda

Our 4000 square feet Gallery Space is one of the most impressive rooms on the River Thames. Located off the central corridor, the detail and beauty of this grand setting is revealed little by little.
