

# INN<sup>OR</sup>OUT

St Paul's Cathedral, the architectural masterpiece of Sir Wren, offers a unique venue for meetings, dinners and receptions

## St. Paul's Cathedral—EC4M

### The Wren Suite

The Wren Suite, with its vaulted ceiling and golden stone walls, combines Wren's neoclassical vision with the comfort and convenience of 21st century facilities. Adjacent to the main room is the 'Beehive' Room, a circular, domed antechamber which can be used for breakout sessions. The space includes a back screen projector for PowerPoint presentations as well as a microphone, visualiser and slide projection facilities.

### The Crypt

The Crypt, the largest in Western Europe, can accommodate dinners for up to 250 people and receptions for up to 350. Music can be provided by the Wren consort and guided tours can be arranged to make your event even more memorable for your guests. We are able to provide a bespoke event planning service for special occasions which includes lighting, sound and flowers.
