

CARPENTERS' HALL

Carpenters' Hall is available for hire and offers a superb setting for corporate hospitality or commercial presentations.

Opened in 1960 and designed by Clifford Wearden, the banqueting hall seats up to 220 in comfort. In the past it has been used for book launches, company AGMs, concerts, informal buffets, seminars and a television film set as well as for formal banquets.

The Hall is complemented by a spacious entrance hall and reception area, which can be used to serve drinks before dining. Other smaller rooms are available for meetings or for dining. The kitchens are well equipped and provide excellent catering facilities, and there are cloakrooms with security provided by Hall staff.
