

CHELSEA GARDENER

The Chelsea Gardener covers over half an acre in the heart of Chelsea, and it is greatly sought after for private parties, receptions, exhibitions and product launches.

Imagine an open yet private space filled with colour and plants in the centre of London where you can celebrate a special event or just use as a party venue.

We can offer room in the main showroom for up to 300 people, or up to 150 sitting down for dinner. We also offer the use of the outdoor space for summer events.
