

DALÍ UNIVERSE

Be transported into a world of melting clocks and anthropomorphic sculpture in the Dalí Universe.

Presented with Dalí-inspired style and flair in a dreamlike labyrinth of galleries, the Dalí Universe places viewers in the heart of a surreal fantasyland. The exhibition unravels the master's mind with precision and creativity.

Over 500 of his amazing works are on exhibit, including the largest collection of Dalí sculptures dating from 1935-1984, his drawings, lithographs, gold and glass objects and a Dalí-inspired furniture collection.

In the Dalí Universe you find yourself inside the wild and twisted mind of the Catalan master – his enigmatic personality ebbs from every piece.
