

FORMAN'S FISH ISLAND

Forman's Fish Island is a brand new building with 900 square metres of meeting space. With an unparalleled view of the 2012 Olympic Stadium, this venue is a unique and exciting location for any event.

Located on the River Lea, Forman's Fish Island has a light and airy feel to it and is a spectacular location for corporate events or private parties. There are two event spaces which can be hired together or separately. The building is shaped like a darne of salmon and has an elegant and novel appeal. The Island has an outside terrace and floor to ceiling windows, so you can't miss the beautiful views from this location.
