

KEW PALACE

Kew Palace – A function venue fit for a king

Kew Palace is the most intimate of royal palaces. Enjoyed as a country retreat by George III, Queen Charlotte and their family between 1801 and 1818, it's the perfect venue for an intimate summer supper or drinks reception. Located inside the Royal Botanic Gardens Kew, it's so near yet so far from the hustle and bustle of London.

After a ten-year conservation project, Kew Palace re-opened to the public for the first time in April 2006, making it a unique and personal venue for your event.
