

## Musée Eugène Delacroix

Located in the heart of Saint Germain des Pre on one of the most romantic squares of Paris, the Musée Eugène – Delacroix offers a charming and intimate setting.

The Musée National Delacroix also houses much of Delacroix's personal belongings including memorabilia from his trips abroad and letters to and from his contemporaries.

It is quite fascinating to wander among his work and living quarters and to get more of an idea of how he lived. The Musée National Delacroix is a lovely exploration of this great painter's life and death, of his brilliant work, and workspace.
