

PUMP HOUSE GALLERY

A unique venue for experiencing the visual arts in the beautiful setting of Battersea Park.

The Pump House Gallery is a tall tower building with rooms over four floors. The floor spaces, whilst not large, measuring 5.5m x 5m each, are counterbalanced by a high ceiling and arched windows on upper floors.

The top floor is a beamed mezzanine, overlooking the floor below, a perfect area for speeches, presentations or marriage ceremonies. A pretty outdoor terraced area is accessed directly from the ground floor.

Your guests can be accommodated throughout the buildings for drinks, a buffet or a sit down meal. Marquees may be hired to adjoin the building, creating a larger area on one level.
