

THE SALTERS' COMPANY

The Salters' Company celebrated its Sexcentenary in 1994 and is one of twelve Great Livery Companies of the City of London.

In 1976 a new hall was opened, built to a design of Sir Basil Spence, which has provided the Salters' Company with magnificent modern premises comprising an ash panelled Banqueting Hall, Committee and Court Rooms and office accommodation. The Hall in Fore Street commands a fine view over London Wall and St. Paul's Cathedral, and is one of the only Livery Halls in the City to have been built in a truly contemporary style.

The Salters' Company offers Banqueting & Conferencing Facilities in the City of London. Whether you are hosting a banquet, conference, wedding or intimate dinner, the opulence of Salters' Hall provides the perfect setting.
